## **Notes**

1. This form should be completed only by an authorised club official, e.g. Secretary or Chairman.
2. The approaching club should complete the first part of the form and email or send the form to the secretary of the current club. If an email is sent, a 'read receipt' should be requested. If the form is posted, proof of posting should be obtained.
3. The current club has three days from the date of receipt of the form to raise any objections.
4. If it is agreed to waive the 7-day notice period or there is no objection to the transfer, the form should be completed on behalf of the current club and returned to the approaching club.
5. If the form is not completed and returned by the current club, the approaching club will be entitled to approach the player following the expiry of the 7-day notice period. The player may be registered on the 8<sup>th</sup> day following approach.
6. If the approach is successful, the approaching club is required to send this form containing the player's signature to the League, together with proof that the form was emailed to the current club (unless the form has been signed on behalf of the current club).
7. The completed form should be emailed to the appropriate Registrations and Records Officer. Approval to the transfer of the player's registration will not be given until the above requirements are met.
8. Details of the proposed transfer should not be entered on the Whole Game System until this completed form is emailed to the League.
